**August 3 & 4, 2019 - Eighteenth Sunday in Ordinary**

## FROM THE DESK OF THE PASTOR

My Dear Parish Family, as we celebrate this weekend I wish to continue to share with you about our new Music Ministry leadership. As you will recall, last week I announced that Nancy Erdman will be serving as our Director of Music Ministry. This week I am pleased to announce that Michael Cygan will be serving as our Assistant Director of Music Ministry with an emphasis on developing, expanding and leading our Contemporary Music Ministry for our Parish. Our search committee unanimously agreed and recommended that we have two Music Ministry leaders in the parish given what is already happening at St. Greg's with music as well as the areas we can grow, such as contemporary music for liturgy, and to offer worship and praise prayer events. We welcome Michael to our parish ministry team along with Nancy and we look forward to the great new path they will provide for us in music and worship. Welcome, Michael and Nancy!!

Next, I would like to acknowledge our High-School students who received honors during the 4<sup>th</sup> quarter of this last academic year. Some of our Catholic High Schools have provided a list of our Parishioners who achieved the 4<sup>th</sup> quarter honors.

With tuition rising each year your help is needed more than ever. We are still welcoming donations to the Angel Wings Scholarship program.

Please consider becoming an "Angel" and help make a difference in the life of a child in our parish community by making Catholic education a reality. Scholarships will benefit qualified students from the parish whose families have difficulty meeting tuition and related costs to attend our parish school. Your entire donation will directly offset a year's tuition for a child or family. Donations are welcome in any amount. Scholarship award decisions are made by a small committee. No parents of current St. Greg's students serve on the committee. Strict confidentiality of donors and award recipients will be maintained. This is a wonderful way to support Catholic education and positively touch a child in our parish with your generosity. Join us in this wonderful endeavor. Please drop your donation off at the Parish Office in an envelope marked "Angel Wings".

## PRAYER: THE PLEA FOR MERCY

St Faustina understood **the need and value of prayer**, “In whatever state a soul may be, it ought to pray. A soul which is pure and beautiful must pray, or else it will lose its beauty; a soul which is striving after purity must pray, or else it will never attain it; a soul which is newly converted must pray, or else it will fall again; a sinful soul, plunged in sins, must pray so that it might rise again. There is no soul which is not bound to pray, for **every single grace comes to the soul through prayer**” (Diary, 146)

True prayer is the dialogue of a trusting soul with the God of mercy. God is always ready to pour His merciful love into our hearts if we are only willing to ask and receive Him. Jesus says, “Behold, I stand at the door and knock” (Rev 3:20). Through our humble prayer of petition, we open the door to Him in every circumstance of life.

Jesus helped St. Faustina understand that, “a soul should be faithful to prayer despite torments, dryness, and temptations; because oftentimes the realization of God’s great plans depends mainly on such prayer. If we do not persevere in prayer, we frustrate what the Lord wanted to do through us or with us” (872).

**Court Upholds Ban on Title X Funding of Abortion:** On July 11, the 9<sup>th</sup> Circuit Court of Appeals refused

to block the Trump administration’s Title X family-planning rules from taking effect, keeping in place newly instated requirements preventing grant recipients from referring clients for abortions. The federal court rejected a plea from 20 states and the District of Columbia, as well as abortion providers like Planned Parenthood, to impose an emergency stay of the Department of Health and Human Services’ (HHS) new policy.

In February, the HHS overhauled rules governing Title X grants for family-planning services to low-income patients, prohibiting recipients from using the funds to “perform, promote, refer to, or support abortion as a method of family planning.” The rules also require a “clear financial and physical separation” between abortion procedures and other family-planning services, a mandate scheduled to take effect in March 2020.

The rule changes could cost Planned Parenthood, the nation’s largest abortion provider, as much as \$60 million per year. At the same time, it is now possible for pro-life pregnancy centers to receive Title X funds, as the requirement for “nondirective counseling on abortion” was eliminated.

Pro-life groups cheered the court’s decision. Jeanne Mancini, president of the March for Life, said that abortion “is neither health care nor family planning and therefore should not be funded by the Title X program. ...This regulation helps to get taxpayers out of the abortion business, without cutting resources for those in need.”

Not surprisingly, Planned Parenthood blasted the court’s refusal to block the new rules, calling it “devastating.” The organization has since announced that it will forgo Title X funding rather than stop providing abortion referrals. Title X funds are a small percentage of the half-billion dollars it receives annually in federal funding. (from [washingtontimes.com](http://washingtontimes.com))
