

St. Gregory the Great Family Faith Formation

Emergency Closings • Class Cancellations:

As a courtesy to our parents, when we have class cancellations, we send out recorded messages to parents' phone numbers listed on the registration form. During inclement weather, we will do our best to send the recorded notification at least one hour prior to class time. Please refrain from calling the FFF Office before 2:00 pm on weekdays, as the decision to close may not have been made yet. The best time to call the office to see if there is a cancellation is one hour prior to class time.

Please be aware that if you did not give us current phone number information, we will not be able to contact you with class cancellations through our broadcasting service. If your answering machine or voicemail picks up the call, the message may not be properly delivered.

As always, please use your best judgement when there is inclement weather.
