As per JPII Healing Center guidelines:

Our events are for adults 18 and older due to teachings and witnesses containing mature content (including sexual abuse, addictions, compulsions, etc.). We also desire for participants to have freedom in their experience without inhibition or concern for nearby children. Nursing infants are welcome. We just ask that if they are noisy or disturbing those around you that you bring them out of the main room so that other participants are able to focus on the teaching.
